A° 1487 of 6/6/87 P.A.
P. 820

The D.C. in his D. No 742 of 19 Oct. 1887 admits that the trees in question stand upon Govt land. The papers submitted by him do not support this statement for they show that the trees are on a public burial ground, which probably is included in Dry Land No 35 of the Tripunta Village, Confirmed to Peda as personal land on half assessment. Under such circs the Govt have no right to the trees in question, but if the ground in question is now used as a public burial ground, the Karnam Settlement in 1887 should be revised. If other but Karnam's land is a public burial ground then in that case the Peda will be allowed to remove the trees he may have planted.

Order.

Petitioner's claim to the trees in question on Govt land and not planted by his ancestors. The correspondence submitted by him fails to establish his allegation.

Petitioner's land is a burial ground and trees planted by different persons whose bodies are buried there and which the right Hindu sentiment does not allow to be cut down. Petitioner's claim is therefore rejected & the amount credited to Government.

Petitioner to pay Rs 2 Stamp fee.
